

TOY DONATION GIFT GUIDE

Women's & Children's
Hospital Foundation

Every child deserves the chance to simply be a child.

When you donate a toy to a child in hospital, you can bring moments of joy, comfort, and the chance to simply be a child, even in hospital.

When you make an in-kind donation, your gift is carefully managed by our team on behalf of the Women's and Children's Health Network. This ensures your gift is received with care and directed where it is needed most.

TO KEEP EVERYONE SAFE

All donated items must be brand new and left unwrapped so our team can assess and match them to the right child.

Only brand-new, unwrapped items are accepted.

We cannot accept:

Second-hand goods, wooden toys, squishy toys, choking hazards, toys that imitate weapons or food items of any kind (including baby formula).
